RECALL NOTICE

RECALL CAMPAIGN No. 04V-241

VIN:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act, and is a follow-up to a notification sent to you in January 2005. Since that original notification, a revised repair procedure has been developed.

Reason for Notification

THOR California, Inc. has decided that a defect which relates to motor vehicle safety exists in certain 2004 Fury 29FTB and 2004 Vortex 293VTB model travel trailers manufactured during the period from April 2003 through December 2003. According to our records, your trailer may contain this defect. For this reason we ask that you arrange for your dealer to correct your vehicle without delay. The service and required parts will be provided free of charge. If you have sold or traded your trailer, please fill out the enclosed postcard and mail it to THOR California so that we can locate the current owner of the trailer.

Description of Defect

We have determined that the A-frame, coupler and safety chains were not sized correctly to meet the stated capacity of the trailer.

Description of Remedy

The program to be implemented by THOR California to remedy the defect includes this notification to all current owners of the subject trailers. To correct the defect, your dealer will:

- a) install steel reinforcement to the A-frame members
- b) install a new, higher capacity coupler assembly
- c) install new, higher capacity safety chains

Failure to have this important recall completed may result in severe bending of the A-frame assembly, failure of the coupler assembly and/or failure of the safety chains, possible loss of trailer control while towing, and the possibility of a vehicle crash as a consequence of loss of trailer control. Please have this recall performed as soon as possible. Failure to do so could legally be determined to be lack of proper maintenance of your trailer.

What We Would Like You To Do

Please take your trailer to your selling dealer or any other authorized THOR California servicing dealer to have the repairs performed. Dealers and service centers have been informed of this recall and are prepared to perform it to your satisfaction. This recall will be performed at no cost to you.

You should call your dealer or service center at your earliest convenience to schedule an appointment. When you take your trailer to the dealer, please bring this letter and your warranty/ownership documents with you. This will allow the dealer to prepare the necessary warranty forms most efficiently. The work will take about four (4) hours to complete. However, additional time may be required depending on how dealer appointments are scheduled and processed. Once the repairs are completed, please present the attached postcard to the repair facility for submission to THOR California.

If the defect referred to above has been repaired on your trailer before you received this recall notification, and if you incurred any direct cost in connection with obtaining such repair, you may seek reimbursement from THOR California. In order to obtain reimbursement, you must submit the following information: (1) *your name and mailing address*; (2) *the Vehicle Identification Number (VIN) for your trailer*; (3) *a reference to this recall campaign 04V-241*; (4) *a copy of the receipt or invoice for the repair*.

This reimbursement may be obtained by sending your request for reimbursement along with the above information to:
