RE: IMPORTANT SAFETY RECALL NOTIFICATION: SR-04-007

Dear Mitsubishi Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Reason For Notice: Mitsubishi Motors North America, Inc. has decided that the fuel pump return fitting on your vehicle could break when subjected to stress, resulting in fuel leakage from the fuel pump return line. Fuel leakage in the presence of an ignition source could result in a fire.

What you should do: Please contact your Authorized Mitsubishi Dealer to schedule a repair date. When you bring your vehicle in, show this letter. (If you misplace this letter, they will be glad to re-print it. Repair, free of charge.)

What your dealer will do: The dealership will replace the fuel pump with a new improved part, free of charge.

How long will it take? The time needed for the actual repair is approximately 30 minutes. The dealer may need your vehicle for a longer period of time to schedule the repair, but every effort will be made to minimize your inconvenience. The repair may take less time if the vehicle arrives at the dealership with less than a full tank of gas.

If you have any trouble having your vehicle repaired or you need a loaner car, please inform us by calling:
Mitsubishi Customer Support Department 888-MITSUBU-2004 (888-848-7820)
Monday through Friday, 9 a.m. to 10 p.m. (Central Standard Time)
