

**2004 Model Year LS 430 Fuel Pump Replacement
Special Service Campaign**

Dear LS 430 Owner:

Lexus is dedicated to the "Passionate Pursuit of Perfection."

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Lexus has decided that a defect, which relates to motor vehicle safety, exists in certain 2004 model year LS 430 vehicles.

What is the condition?

On certain 2004 Model Year LS 430 vehicles, the impeller inside the fuel pump may have been improperly molded due to a manufacturing error. Alcohol in some fuels may deform the impeller and cause it to come into contact with the fuel pump housing. This condition could increase the rotational resistance of the impeller. In the worst case, the fuel pump could seize, which may result in engine stalling, thereby increasing the possibility of a crash.

What will Lexus do?

Any Lexus dealer will replace the fuel pump at **NO COST** to you.

What should you do?

Please contact any authorized Lexus dealer to schedule an appointment to have the fuel pump replaced.

The labor time for this repair will take approximately one hour. However, depending upon the dealer's work schedule, it may be necessary to make your vehicle available for a longer period of time. If possible, please bring the vehicle to the dealer with a minimal amount of fuel in the tank.

Please present this notice to the dealer when you bring the vehicle in for your service appointment.

If you no longer own the vehicle, please indicate so on the enclosed postage-paid form, providing us with the name and address of the new owner if possible.

What if you have other questions?

Please contact any Lexus dealer or call the Lexus Customer Assistance Center at 1-800-255-3987.

If you believe that the dealer or Lexus has failed or is unable to remedy the defect within a reasonable time, you may submit a complaint to the administrator, National Highway Traffic Safety Administration, 400 Seventh Street S.W., Washington, D.C. 20590, or call the toll free Auto Safety Hot Line at 1-888-327-4236.

If you are a vehicle lessor, Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

We have sent this notice in the interest of your continued satisfaction with our products, and we sincerely regret any inconveniences this condition may have caused you.

Thank you for driving a Lexus.

Sincerely,

LEXUS DIVISION
