

IMPORTANT SAFETY RECALL NOTICE

Dear Suzuki Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

American Suzuki Motor Corporation has decided that a defect which relates to motor vehicle safety exists in all 2004 Suzuki Verona passenger cars. According to our records, you own one of the vehicles affected by this recall.

The Engine Control Module (ECM) has a program fault which could cause the fuel to air ratio to become too lean in some circumstances, resulting in engine stalling. If stalling occurs, this can result in loss of control of the vehicle and a crash could occur without prior warning.

To correct the stalling problem, your Suzuki dealer will either reprogram the existing ECM or replace the ECM on your vehicle at no cost to you for parts or labor.

Please contact your Suzuki dealer to schedule an appointment for this Important Safety Recall. To locate your nearest Suzuki dealer, please call toll free (877) 697-8985 or visit our website at www.suzuki.com. Recall instructions have already been sent to your dealer and the recall can be completed in about 30 minutes if you have an appointment. Additional time may be required to schedule and process your vehicle. If your dealer has a large number of vehicles awaiting service, this additional time may be significant. If you no longer own this vehicle, please complete the enclosed postage paid reply card and return it to us.

If your dealer does not complete the recall process without charge and within a reasonable period of time, we recommend that you contact the American Suzuki Customer Relations Department at (800) 934-0934. If you are still not satisfied that American Suzuki and your dealer have done their best to complete the recall process, you may wish to write the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW., Washington, DC 20590 or call toll-free Auto Safety Hotline at (888) 327-4236.

We sincerely regret any inconvenience this Important Safety Recall may cause, but we are certain you understand our interest in your safety and your continued satisfaction with your new Suzuki.
