IMPORTANT RECALL INFORMATION # 40817

September, 2004

Dear Valued Fleetwood Motor Home Customer:

This notice is sent to you in accordance with the requirements of the National Highway Traffic and Motor Vehicle Safety Act.

Fleetwood Enterprises, Inc., on behalf of its subsidiary manufacturing center located in Riverside, California, has decided that a defect relating to motor vehicle safety exists in certain 2004 and 2005 model year Jamboree GT and Tioga SL 30U Class C motor homes.

WHAT IS THE PROBLEM?

On motor homes affected by this recall, the range and/or cook top liquid propane gas connection line is a flexible hose connector. This hose is routed in close proximity to a burner and may melt when exposed to high heat for a period of time.

WHAT SHOULD YOU DO?

Due to safety related reasons and the potential for a fire, please make certain your motor home is immediately inspected and repaired by contacting your selling dealer, and making an appointment to have this inspection and repair performed. If they are not available, another Fleetwood motor home dealer may do this work for you.

IMPORTANT: Do not use the range and/or cook top left rear burner until the recall remedy has been applied.

WHAT WILL FLEETWOOD DO?

Fleetwood will replace the range and/or cook top liquid propane gas flexible hose connector with a copper liquid propane gas line at no cost to you. The total length of time your motor home will be out of service will depend on the dealer's work schedule.

If you have had this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information regarding this recall #40817, contact Fleetwood Owner Relations at 800-509-3418.

When you deliver your motor home for repairs, your dealer will complete a Fleetwood Repair Order. Upon completion of the repair, please sign the **Fleetwood Repair Order** and fill out the enclosed, self-addressed **Vehicle Information Update Card** and return it to Fleetwood.

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle Information Update Card** and return it to Fleetwood. That way we can update our records, and if necessary, notify the new owner using the information you provide.

For leased vehicles: Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you are unable to obtain the specified repair promptly and without charge, please contact:
