THE NEW AMERICAN MOTORCYCLE™
Warning and Recall Notice 04V-(TBA)

(EXAMPLE OF LETTER SENT BY VICTORY TO OWNERS IN THE U.S.)

Dear Victory Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

The Victory Motorcycle Division of Polaris Industries Inc. has decided that a defect which relates to motor vehicle safety exists in some model year 2005 Victory Vegas™, Vegas™ 8-Ball, Kingpin™, and Ness Kingpin™ motorcycles. Our records indicate that you have purchased one of the potentially affected motorcycles.

The clamp that secures the high pressure fuel hose to the fuel rail may be loose. A loose clamp may allow fuel to leak from the fuel rail fitting, creating the potential for a fire.

Upon receipt of this recall notice, **stop riding your 2005 Victory motorcycle immediately!** Please call your authorized Victory motorcycle dealer to schedule an appointment to have your motorcycle repaired. Do not attempt repairs yourself. Repairs must be done only by an authorized Victory dealer.

The repair will consist of positioning the clamp and tightening it to the proper torque. Repairs will be made by an authorized Victory motorcycle dealer at no cost to you. The repair will take approximately fifteen minutes to perform, although your dealer may need your motorcycle for a longer period of time depending on their work schedule.

While your Victory dealer is in the best position to answer your questions, if you have any questions that your dealer cannot address, or if you are having difficulty obtaining the recall repair outlined in this letter, please call our Consumer Service Department at (763) 417-8650.

If you believe that the Victory Motorcycle Division of Polaris Industries Inc. has failed to remedy this defect without charge or is unable to do so within a reasonable time, you may submit a complaint to the Administrator of the National Highway Traffic Safety Administration at 400 Seventh Street S.W., Washington D.C. 20590 or call the toll-free safety hotline at 1-888-327-4236.

We are sorry for this inconvenience; however, in the interest of your safety, it is very important that you arrange for this repair as soon as possible.

Sincerely,

VICTORY MOTORCYCLE DIVISION OF POLARIS INDUSTRIES INC.
