2002-2004 Tribute Accelerator Cable Recall 2704L

Dear Mazda Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mazda Motor Corporation has decided that a defect, which relates to motor vehicle safety, exists in certain 2002-2004 Tribute vehicles. **If you are a recipient of this notice, your vehicle is included in this recall.**

What is the problem?

On certain 2002-2004 model year Tribute vehicles equipped with 3.0-liter engines, the accelerator cable may prevent the throttle from returning to the idle position, possibly resulting in elevated engine speeds while driving. An unexpected increase in engine idle speed may increase stopping distance and may result in a vehicle crash without warning.

What will Mazda do?

Your Mazda dealer will inspect the accelerator cable, and if necessary, replace it **free of charge**. The repair should take approximately one-half day to complete. However, it may take longer depending on the service workload at your Mazda dealership.

As a reminder, the Mazda Driver's Assurance Plan may provide alternate transportation when your vehicle is at an authorized Mazda dealership for a warranty repair. To be eligible for alternate transportation, your vehicle must be a 2001 or newer and within the mileage and time limitations under the Mazda New Vehicle Limited Warranty and adhere to the Rental Car Reimbursement policy. Ask your dealer for details about the Mazda Rental Car Reimbursement Program.

What should you do?

Mazda is concerned about your safety, and we encourage you to make an appointment with any authorized Mazda dealer to have the accelerator cable inspected and replaced, if necessary, as soon as possible. You do not need to bring this notice to the dealer, but it may assist in the check-in process.

What if you have already paid for a replacement accelerator cable?

If you have already paid for the inspection or replacement of the accelerator cable due to a defect, you may be eligible for reimbursement of reasonable repair expenses based on Mazda's repair standards. Please complete the enclosed "Reimbursement Application Form," including the necessary documentation, and mail it to us in the pre-addressed envelope provided, allowing 6-8 weeks for processing.

Where is the closest Mazda dealer?

To locate your nearest Mazda dealer, visit our web site and try our "Locate a Dealer" feature at www.MazdaUSA.com or consult your local yellow pages.

Moved or no longer own this vehicle?

If you have moved or no longer own your Tribute, please complete the enclosed prepaid *Information Change Card* as soon as possible. This enables us to update our records and notify the current owner.

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
