Subject: NHTSA Acknowledgment - Recall No. 04V-026

Dear Ms. Taylor:

We are in receipt of the "Acknowledgment Fax Sheet of Receipt of Defect Information Report Submitted Under 49 CFR Part 573" from you dated today. I am responding to your inquiry and comments in this e-mail. If we need to submit any additional form of response, please let me know and we will do so immediately.

All 54 of these trailers were manufactured from September 2002 through November 2003, so they are all 2003 and 2004 models.

Because we intend to repair all of the units here at Cottrell, we should be able easily to track the status of the repairs. We will submit quarterly reports with status updates for the six (6) consecutive quarters following notification, with the first such report to be submitted on or before April 30, 2004.

We are very close to determining the remedy for this recall. Upon that determination, we will provide you with a description of that remedy with an estimation of when such repairs will begin.

In the interim, if you need further information, please do not hesitate to contact me. Thank you very much.
