Subject: Launching of mailing for Hyundai recalls

Dear Ms. Demeter:

Please be informed of the launching of Hyundai de Puerto Rico last two recalls.

A - Fuel Cut Valve Installation (Recall No. 04V-369) -
Mailing starting date <October 18, 2004> Mailing end date <October 18,
2004>

B - Fuel Clip Hose Repositioning (Recall No. 04V-370) - Mailing
starting date <October 14, 2004> Mailing end date <October 14, 2004>

On the Fuel Clip Hose Repositioning recall, we already started with some
vehicles found in the sales dealers lot area and those remaining in our
vehicle storage area.

Any question regarding any of the mentioned recalls, please let us know.

Thanks and regards.
