Subject: Monaco Coach Corp -Recall 04V441 -
Importance: High

Hi Pat – we filed a 573 back in September for the Cummins recall 04E059 –without the makes and models affected. Attached you will find that information. I believe this will take care of all the information that needs to be filed with NHTSA on this issue. Please contact me (574-389-4061) if there is any additional information needed.

Thanks
Terri Tobias
Monaco Coach Corp.
