FORD QUARTERLY SAFETY COMPLETION REPORT -- 49 CFR Part 573.7
Quarter Ending March 31, 2006

NOTES

1/	"Procedures Completed" indicates the number of vehicles on which reports of action have been received from dealers and processed by Ford as of the end of the reporting period. Those in the "inspected" category were found to not require the recall service. Those in the "repaired" category did have the recall service performed.
2/	"Unreachable Vehicles" indicates the number of vehicle owners that could not be reached. "Undelivered" represents the number of first-class letters to owners of recalled vehicles, as shown on Company records, returned by the United States Postal Service for reasons such as addressee unknown, no such street number, or no such business office in the state. "Exported" represents the number of recalled vehicles reported to have moved out of the United States, its protectorates or territories. "Stolen" or "scrapped" represents the number of recalled vehicles reported to be either stolen or scrapped such that the safety recall service cannot be performed or is inappropriate. Those in the "other" category are vehicles either "modified" or where the owner "refused" the recall service.
e/	05V-388 / 05S28-S5 Letters were mailed in September 2005 advising owners to have an interim repair performed until parts become available in November 2005. In a November 2005 mailing, owners were advised to contact the dealership in February when parts for the permanent repair will be available.
d/	05V-030 / 05S27 Letters were mailed in March 2005 instructing owners to make service appointments when parts become available in late April 2005. Parts became available in mid-May 2005 and owners were notified in early June 2005 via postcard. The notification advised owners to schedule an appointment as soon as possible.
c/	05V-017 / 05S28 Letters were mailed in February 2005 alerting owners of an interim repair until parts become available in April or May 2005. Parts became available in early May 2005 and owners were notified on May 4, 2005 via postcard or letter depending on whether the interim repair was performed. The notification advised owners to schedule an appointment as soon as possible.
b/	04V-332 / 04S17 Letters were mailed in August 2004 instructing owners to delay making service appointments until parts became available in December 2004. Beginning January 25, 2005 owners of 2000 and 2001 model year vehicles were notified via postcard that parts are available. Owners of 1999 model year vehicles were notified via postcard beginning May 2, 2005. The postcard advised owners to schedule an appointment as soon as possible. An additional 4916 vehicles that had moved into the affected region during the 3rd Quarter 2005 were added to the recall population. Letters were mailed to these owners advising them of the repair.
a/	04V-442 / 04S20 Letters were mailed in October 2004 instructing owners to delay making service appointments until parts became available in December 2004. Beginning December 27, 2004 owners were notified via postcard that parts are available. The postcards were mailed out in phases which concluded March 30, 2005. The postcard advised owners to schedule an appointment as soon as possible.
