Campaign #04V-244

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Newmar Corporation has decided that a defect which relates to motor vehicle safety exists in **2004-2005 Scottsdale Class A Motorhomes, 2004 Kountry Star Class A Motorhomes, 2004 Mountain Aire Class A Motorhomes, 2004 Kountry Star Diesel Pusher Motorhomes, 2004-2005 Northern Star Diesel Pusher Motorhomes, and 2004-2005 Dutch Star Diesel Pusher Motorhomes built between October 1, 2003 and March 22, 2004.** This is a follow up notice to a previous notification mailed to you on October 1, 2004. Our records indicate that you may have purchased this vehicle and you have not yet had your vehicle repaired.

REASON FOR THIS CAMPAIGN

Newmar has been informed by our seat belts manufacturer, AM-Safe Commercial Products that certain seat belts for the driver/passenger area fail to conform to the load requirements of Federal Motor Vehicle Safety Standard No. 209, "Seat Belt Assemblies". In the event of a vehicle crash, the buckle could release leaving the occupant unrestrained and could result in serious bodily injury or even death.

WHAT WE WILL DO

Newmar will check the manufactured date on the belts and if the date is within the affected lot, Newmar will repair the potential safety defect by replacing the buckle arm assembly.

WHAT YOU SHOULD DO

Because this defect affects motor vehicle safety, NHTSA and Newmar Corporation strongly urge you to contact the Newmar service department immediately at (800) 731-8300. An associate will assist you in making an appointment to have this repair done by an authorized Newmar Dealer or Service Center.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you have had the repair performed before receiving this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information contact Newmar at:
