**SECOND NOTICE
THIS IS A FOLLOW UP TO PREVIOUS
COMMUNICATION**

Date

Dear Newmar Owner:

**SUBJECT: Newmar Serial #
Chassis Serial #
Campaign #04V-403**

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Newmar Corporation has decided that a defect which relates to motor vehicle safety exists in **certain floor plans** on the following models, **2003-2005 Dutch Star Diesel Pusher Motor homes, 2004-2005 Kountry Star Diesel Pusher Motor homes, 2004-2005 Northern Star Diesel Pusher Motor homes**. This is a follow up notice to a previous notification mailed to you on October 1, 2004. Our records indicate that you may have purchased this vehicle and you have not yet had your vehicle repaired.

REASON FOR THIS CAMPAIGN

Newmar has determined that seat belts for the passenger area harness attachment at the wall may fail to conform to the load requirements of Federal Motor Vehicle Safety Standard No. 209, "Seat Belt Assemblies" due to insufficient welds. In the event of a vehicle crash, the harness attachment could release leaving the occupant unrestrained and could result in serious bodily injury or even death.

WHAT WE WILL DO

Newmar will add a new backer plate assembly that has been tested and conforms to the 209 standard for "Seat Belt Assemblies".

WHAT YOU SHOULD DO

Because this defect affects motor vehicle safety, NHTSA and Newmar Corporation strongly urge you to contact the Newmar service department immediately at (800) 731-8300. An associate will assist you in making an appointment to have this repair done by an authorized Newmar Dealer or Service Center.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you have had the repair performed before receiving this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information contact Newmar at:
