SAFETY RECALL RENOTIFICATION: S3026120 – Cab Latch Lock Indicator VEHICLES INVOLVED – Certain 1986 – 2004 Model Year FK and FM Trucks

Vehicle Identification Number – VIN

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. This is a follow up to an initial notice you should have received dated October 22, 2004 regarding this Safety Recall.

Please be advised that your vehicle remains open for the S3026120 Cab Latch Lock Indicator Safety Recall!

Mitsubishi Fuso Truck of America, Inc. (MFTA) has decided that a defect which relates to motor vehicle safety exists in the cab latch lock indicator system on certain vehicles. On affected vehicles, the rebound cushion may stick to the hook hinge bracket, causing the cab latch lock indicator switch to malfunction. In the worst case, if the cab latch is unlocked for any reason, the instrument panel cab lock indicator will not notify the driver that the cab tilt lock mechanism is in the unlocked position, which could increase the likelihood of a crash without warning.

The rebound cushion will be replaced with a new component of superior quality. The procedure will be completed at no cost to you when performed by an Authorized Mitsubishi Fuso Dealer or Parts and Service Center. The scheduled time for repair is approximately 2.3 hours.

For your continued safety, MFTA urges that you contact any Authorized Mitsubishi Fuso Dealer or Parts and Service Center as soon as possible to schedule an appointment for this procedure. Refer to this Recall Notification letter when speaking with Dealer Service Department personnel.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you are the lessor of the above referenced vehicle, please forward this notification immediately.

Note: If you have incurred costs to obtain a remedy for the problem addressed in this recall, please present the paid invoice to an Authorized Mitsubishi Fuso Dealer or Parts and Service Center. The Dealer/Parts & Service Center will submit a warranty claim to MFTA on your behalf. Reimbursement of these costs should be expected within 30 days of warranty claim submittal.

We at MFTA regret any inconvenience this situation may cause you. However, your safety and continued satisfaction with our product are most important to us.

If your MFTA Dealer is unable to perform this procedure without charge, or within a reasonable amount of time, please contact MFTA Customer Service toll-free at 877-711-0707 for assistance.
