

**Volvo Cars of North America, LLC
Important Safety Recall Notification
Recall Campaign 137**

February 13, 2009

Dear Volvo Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

In the past, a letter was mailed to eligible vehicle owners, announcing a Safety Recall concerning the vacuum valve / hose assembly for certain 2004 S40 and V40 vehicles.

Our records indicate this Safety Recall has not been completed on your vehicle. Please schedule an appointment at your local authorized Volvo retailer as soon as possible to have this important safety recall performed at no charge.

Sincerely,

Mike Assainte
Manager Customer Care
