**Re: Amendment to Part 573 Report
Recall Campaign – Fuel Pump
2005 BMW R1200GS Motorcycles**

Dear Mr. Smith:

BMW is amending its December 15, 2005 Part 573 report, which itself was an amendment to our February 21, 2005 Part 573 report.

We are revising the number of potentially affected motorcycles. In our December 15th report, we indicated that the number of potentially affected motorcycles was 2,073. However, the number of potentially affected motorcycles is 3,084.

Additionally, in our December 15th report, we indicated that BMW expected to complete owner notification in February 2006. We now expect to complete owner notification in August 2006.

Sincerely,

Thomas C. Baloga
General Manager
Safety Engineering and Intelligent Transportation Systems
