Description information which characterizes/distinguishes the recalled vehicles from those model vehicles not included in the recall: **N/A**

Identify the recall Population

- Furnish the total number of vehicles recalled potentially containing the defect or noncompliance.
 - Number of vehicles: **269**, Model(s): **9** Year: **2004 & 2005**, Potentially Involved
 - Total Number Affected by the Recall: **157**
- Furnish the approximate percentage of the total number of vehicles estimated to actually contain the defect or noncompliance: **25%**

Describe the Defect or Noncompliance

- Describe the defect or noncompliance: **See Holland USA Recall # 05E028**

Provide the Chronology in Determining the Defect/Noncompliance

- With respect to the defect, furnish a chronological summary (including dates) of all the principle events that were the basis for the determination of the defect. The summary should include, but not limited to, the number of reports, accidents, injuries, fatalities, and warranty claims: **See Holland USA Recall # 05E028**
- With respect to the noncompliance, and provide the test results or other data (in chronological order and including dates) on which the noncompliance was determined: **See Holland USA Recall # 05E028**

Identify the Remedy

- Furnish Description of the manufacturer's remedy for the defect or noncompliance: **See Holland USA Recall # 05E028**

TEREX | ADVANCE

Identify the Recall Schedule

- Furnish a schedule or agenda (with specifics dates) for notification to other manufacturer's, dealers/retailers, and purchasers. Please, identify any foreseeable problems with implementing the recall. See Holland USA Recall # 05E028

Furnish Recall Communications

9. Furnish a copy of all notices, bulletins, and other communications that relate directly to the defect or noncompliance and which are sent to more than one manufacturer, distributor or purchaser. This includes all communications (including both original and follow-up) concerning this recall from the time your company determines the defect or noncompliance condition on, not just the initial notification. A Draft copy of the notification documents should be submitted to this office by fax (202-366-7882) for review prior to mailing: See Holland USA Recall # 05E028 for Release Dates

Please feel free to call me if I need to add to this or change anything; thanks again for you help.

Sincerely, Randy Patterson

Randy Patterson
