Dear Sir or Madam:

Pursuant to 49 CFR Part 573, Jayco, Inc. ("Jayco" or the "Company") is submitting this report to NHTSA concerning a recall campaign, which is being voluntarily initiated. Specific information is as follows:

573.5(c)(2)

Affected vehicles are Model Year 2004 & 2005 Starcraft Ambient, Jayco Greyhawk Motor Homes manufactured between June 20th, 2003 and May 19th, 2004.

The recall population was determined from the manufacturing records for the Company's manufacturing plant in Middlebury, Indiana, which produced the affected motor homes.

573.5(c)(3)

A total of two hundred eighty five (285) motor homes are subject to this recall. Starcraft Ambient (57), Jayco (228). Specific Vehicle Identification Numbers (VIN) are as follows:

2004 & 2005 Motor Homes with a starting VIN of 1FDXE45S23HB28470 and ending with 1FDXE45S04HA96541.

573.5(c)(4)

Jayco is recalling 100 percent of the motor homes identified in the scope.

573.5(c)(5)

Jayco has become aware that the cable ties, that attach the main wiring harness to the frame rails, may break and cause the wire harness to drop into the exhaust system which may result in the cable melting and creating an electrical short and/or fire.

573.5(c)(6)

Jayco decided to conduct this recall following an internal investigation. Jayco is not aware of any fires, injuries or accidents related to this issue.

573.5(c)(8)

The remedy includes inspection and attachment of new heavy duty UV rated cable ties.

Copies of the repair instructions, dealer notification letters, and owner letters will be provided to the agency within 10 business days. Jayco is prepared to begin dealer notification within 5 business days after receiving approval, and to owner's 5 business days subsequent to dealer notification.

Thank you for your assistance,

Sincerely,

David C. VanderMolen
