Re: 05E-067

Dear Mr. White:

This notice is being sent to you in accordance with the requirements of 49 CFR Part 573 of the National Highway Traffic Safety Act.

Great Dane Trailers has been advised by Tuthill Transport Technologies that a defect which relates to motor vehicle safety exists in trailer suspension models 20/22AR and RS3162, shipped from February 18, 2004 through September 22, 2005.

The items of equipment containing the defect are 650, 2005 and 2006 Van and Refrigerated semi-trailers manufactured 10/18/2004 through 09/15/2005 with the above listed suspensions and sold under the "Great Dane" brand name. Great Dane is working with Tuthill to remedy the affected trailers in accordance with the recall. Tuthill will notify customers. Customers and trailers affected by this recall have been identified and Tuthill has already undertaken steps to remedy the equipment per the recall requirements. Tuthill will provide the required quarterly reports and advise Great Dane of their progress.

If after your review should you have any questions or require any additional information please contact me.

Very truly yours,
