Dear Mr. Smith:

BMW is amending its October 17, 2005 Part 573 report noted above.

We are revising the Model Year / Models affected in Section 2. The 2006 3-Series models are not affected, and accordingly, are not included. However, 2005 and 2006 X5 4.8is models are potentially affected, and accordingly, are to be included, with identical inclusive dates of manufacture.

We are revising the number of potentially affected vehicles in Section 3. The number of potentially affected vehicles is now 240.
