Subject: Blue Bird Recall R05KF (NHTSA 05V-535) FMVSS 403 and 404 Noncompliance

Kelly,

The following is the consequence of the noncompliance that is the subject of the above referenced recall.

“The transmission shift selector may be moved into a drive gear allowing the vehicle to move and thereby endangering wheelchair occupants on the lift and persons outside the bus in the vicinity of the wheelchair lift”.

Sorry for the omission.

Bill
