

March 17, 2005

## ***Attention: All Kia Dealer Principals***

Kia Motors America, Inc., in cooperation with the National Highway Traffic Safety Administration, is conducting a voluntary Safety Recall Campaign on 2002–2003 Sedona models to replace the Throttle Cable. Your Kia Service Manager was sent the following material:

Enclosed please find:

Technical Service Bulletin that provides the following information:

- Vehicle Repair Procedures
- Affected VIN Production Range
- Parts Information
- Warranty Claim Information

Also enclosed is a copy of the owner notification letter, a Q&A guide for recall questions, both of which describe the defect and the resulting risk to motor vehicle safety, and a list of retail Kia Sedona owners affected by the recall. The owner letter will be mailed in three waves beginning March 21, 2005.

What You Should Do

Please make certain the appropriate personnel in your dealership are familiar with the details of this recall to ensure proper responses to customer inquiries and requests to have the recall performed on their 2002-2003 Sedona vehicles.

**NHTSA ADVISORY:** It is a violation of Federal law for a dealer to deliver a new motor vehicle covered by this notification under a sale or lease until the defect is remedied.

**LEGAL PRIVACY LIABILITY NOTICE:** Pursuant to the terms of the Dealer Sales and Service Agreement and the Gramm-Leach-Bliley federal consumer privacy act, you are required to keep confidential any and all information and documents provided to you by Kia Motors America, Inc. or generated by you in the conduct of carrying out work under that Agreement regarding Kia vehicle purchasers and owners, including but not limited to warranty claim information. Kia dealers may use such owner information for the sole purpose of conducting and performing this voluntary recall campaign, and for no other purpose.

Your prompt attention in completing this recall is appreciated. If you have any questions, please contact your Kia District Parts/Service Manager.

Sincerely,

Jim Deel  
Manager Technical Field Operations
