Ref: 05V-269

Dear Mr. Person:

The enclosed communication is being provided pursuant to 49 CFR Part 573.6(c)(9).

Technical Compliance Department

Encl.

Subject: 2005 Sentra Fuel Tank Vapor Line Voluntary Recall Campaign

05V-269

Attention – Dealer Principals, Parts and Service Managers

***** Owner Notification *****

Nissan will start to notify owners affected by this campaign on August 15.

***** Recall Campaign Bulletin *****

On August 15, Recall Campaign Bulletin NTB05-060 Sentra Fuel Tank Vapor Hose will be available on ASIST. It contains updated inspection and repair instructions as well as updated claims information. The Recall Campaign Bulletin will also be available on NNA.net.com on August 15 under My Documents in the Service/Campaigns and the Parts/Campaigns folders.

Note: Please discard any copies of Interim Repair Instructions previously provided for this campaign.

***** Special Tools *****

Vacuum Gauge Kit J-47329 is required the fuel tank inspection procedure related to this campaign. This tool is being shipped directly to your dealership and you can expect it to arrive no later than August 16.

***** Parts Availability *****

An adequate supply of parts required to complete the campaign repair is available (See bulletin for list of required/optional parts). These parts may be ordered via the normal parts ordering process.

If you have any questions, please contact your Dealer Parts and Service Manager (DPSM).
