Attention – Dealer Principals, Parts and Service Managers

The following is an update for this campaign.

***** Parts Ordering *****

The parts sales restriction on replacement tow hitches (P/N 999T5-KR200) has been removed. Use the normal parts ordering process to obtain additional tow hitches, as needed.

***** Eligible Vehicles *****

It is the retailer's responsibility to inspect the Tow Hitch label for either a Nissan P/N 999T5-KR100 or a Valley Industries P/N 2112-00-385 on each vehicle falling within the range of this voluntary safety recall which for any reason enters the service department. Other tow hitches are not involved in this campaign.

Note: This Safety Recall Campaign is not listed in Service Comm. Please refer to NTB05-100 for specific information needed to identify the defective hitches.
