Subject: 2005 Xterra Tow Hitch Voluntary Safety Recall Campaign Update #8

05V-458

Attention – Dealer Principals, Accounting, Parts and Service Managers

The following is an update for this campaign.

***** Flooring Cost Reimbursement Information *****

Nissan previously informed dealers that they would be reimbursed at the rate of \$4.08 per day for flooring costs related to vehicles affected by the sales hold.

If you had a vehicle on sales hold on September 24, 2005, you can expect to receive a credit to your non-vehicle account for each affected VIN. The reimbursement credit for each VIN is based on the number of days from September 24, 2005 until a) the date the tow hitch was removed and vehicle was saleable, b) the date the vehicle was retailed, or c) October 10, 2005 whichever is sooner.

Note: If a vehicle was traded during between September 24, 2005 and October 10, 2005, the credit was applied to the dealer of record as of September 24.

If you have any additional questions related to this program, please contact your Dealer Parts and Service Manager (DPSM).
