Dear Service Manager:

Enclosed is the following service publication:

Campaign Responsibility Report for the **2006 Accord Front Impact Sensor Recall Campaign.**

Of the 2006 Accord vehicles reported as delivered to your dealership, those eligible for the 2006 Accord Front Impact Sensor Recall Campaign, **but not yet fixed**, are listed in the left-hand column. Some of them may have a two-letter code under the heading "UNIT STAT." A complete listing of the codes and what they mean is on page 7-5 of your Service Operations Manual.

If you have any questions, please contact your District Parts and Service Manager.

Sincerely,

**American Honda Motor Co., Inc.
Honda Automobile Division**

NOTE: Strict legal and contractual limitations are placed on how you may use the customer name, address, and telephone number information that American Honda provides to you on the Dealer Responsibility Reports (DRR).

Many states have statutory privacy laws that make misuse of their Department of Motor Vehicles (DMV) information a civil and/or criminal offense. Therefore, no matter what the format of the information provided (hard copy, such as paper printouts; or digital, such as Interactive Network messages; diskettes; CD-ROM; or Internet/intranet formats), the information may be used by you only for service campaign purposes.

The information may not be incorporated into any database other than one designed for service campaign purposes. Under no circumstance may the DRR information be transmitted to a third party or used by the dealership for marketing or other non-service-campaign-related purposes without the prior written consent of American Honda. At such time as the dealer no longer has a need to access recall campaign information contained in the DRR to perform services as directed by AHM, the dealer is required to discontinue all use of this information.
