Subject: 2003-04 G35 / 2003-06 FX Fuel Hose Voluntary Safety Recall Campaign
Update #6

Attention – Dealer Principals, Parts and Service Managers

The following is an addition to previously communicated information regarding this campaign.

******* Alternate Transportation *******

Infiniti recognizes that this campaign is increasing the number of customers who visit your service area resulting in a potential increase in demand for Infiniti loaner vehicles. To ensure the highest levels of customer satisfaction, Infiniti dealers are hereby authorized to provide a rental vehicle in those cases when a loaner vehicle is not available.

Please note that loaner vehicles remain the first option when providing alternate transportation to Infiniti owners. This policy is for this campaign only and is intended to supplement the loaner vehicle program, not replace it. This campaign repair should take less than 4 hours to complete and therefore the rental is limited to 1 day.

When applicable, use the following Claims Information to submit a campaign claim with car rental expenses

EXPENSE CODE	DESCRIPTION	MAX. AMOUNT
502	Rental Car	Up to \$40.00+ tax + surcharge*, for 1 day**

*Some areas will include local and state taxes and other surcharges.

** If Rental Car is required for more than 1 day, contact your Dealer Parts and Service Manager (DPSM) for pre-approval.

Note: This information is not included in the Recall Campaign Bulletin as this policy is to address the current situation (initial campaign launch/owner notifications) and is subject to modification or termination by Infiniti at any time.

If you have any additional questions related to this campaign, please contact your Dealer Parts and Service Manager (DPSM).
