Dear Mr. Person:

You are correct that there was no 1<sup>st</sup> quarter report for Recall 05V-145. The reason is that the letters were sent out January 7<sup>th</sup> 2005, but they were sent out as a Service Bulletin. When we sent the letter to NHTSA, we were advised it should be a recall. Therefore we sent in the paperwork (Part 573) on April 6, 2005 and were soon issued a recall number. As it did not become a recall until the 2<sup>nd</sup> quarter, I did not send a quarterly report. However, as of today, Kelly Schuler should have our 2<sup>nd</sup> quarter report on the particular recall. Please call me at 256-356-0205 if I need to do anything else or if you have questions. We will do whatever needs to be done.

Thank you,

Liz Jones
