National Highway Safety Administration
Recall Management Division
400 Seventh Street, SW
Washington, DC 20590

Dear Mrs. Shuler:

I am in receipt of a letter from Mr. George H. Person from your office regarding our quarterly reporting for safety recall #'s 05V-332 and 05E-048. The delinquent reports mentioned by Mr. Person have been received by your office by fax on 05-19-06. Becky Corman in our office confirmed this with you via telephone on May the 22nd.

We were incorrectly filing these reports within the 30 day time frame after a 90 period from the beginning date of the recall. We now understand that the reports are to be filed within 30 days following the end of each calendar quarter.

We have made the appropriate adjustments and will be filing these within the correct time frame from now on. If you have any further questions concerning this issue, please do not hesitate to contact Tim Goldhammer or Tysen Hissong here at headquarters.

Sincerely,

Robert Friehe
President
