Attn: George H. Person

Dear Mr. Person,

In response to your letter dated November 8, 2007, I have been communicating with Ms. Schuler to up-date the required Quarterly Reports to current status. I have able to provide all Quarterly Reports to Ms. Schuler for the following recalls:

07V-188

07V-008

06V-146

05V-413

I have not provided any reports for 05V-049 yet. Ms. Schuler, after a discussion, was able to grant a time extension to provide the Quarterly Reports for this recall 05V-049. I am currently researching this recall. I have generated a customer letter, which I am sending a draft for Ms. Schuler's review. I am identifying which vehicles do fall under the recall and I will be sending a letter to each of the 23 owners. There is also a Technical Service Bulletin that is being developed from our engineering department.

I can not apologize enough for our failure to provide the past required Quarterly Status Reports. Needless to say, the submission date of the future reports, is firmly on my calendar so I can't forget.

Thank you

Bill Vaughn
