Copy of Letter to Owner Subject: GRA-MAG Seat Pivot Bolts

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act and the Canadian Motor Vehicles Safety Act.

Freightliner LLC, on behalf of its Freightliner Truck Division, has decided that a defect which relates to motor vehicle safety exists on specific Freightliner Columbia vehicles manufactured between August 26, 2002, and October 5, 2004.

The seat pivot bolts may become loose, fracture or dislodge which may allow the seat back to fail to provide full support to the driver. Should the seat fall backwards during vehicle operation, a possible vehicle crash without prior warning may result.

The seat pivot bolts will be re-torqued after threadlock is applied.

Contact your authorized dealer to arrange to have your vehicle(s) modified. If you need to locate a dealer, search online at www.Freightliner.com or contact the Warranty Campaigns Department for assistance.

When you contact your dealer, refer to campaign number **FL438A**. The modification may take up to two hours and will be performed at no charge to you.

As stated in the terms of your express limited warranty, Freightliner LLC will not pay for any damage caused by failure to properly maintain your vehicle. Freightliner LLC considers the work necessary under this campaign to be proper maintenance and will, therefore, not pay for any damage to your vehicle caused by your failure to have the repairs that are the subject of this campaign performed in a reasonable time.

IMPORTANT: When the recall has been completed, please ensure that a label has been affixed to your vehicle referencing **FL438**.
