VEHICLE SAFETY DEFECT SERVICE BULLETIN

Recall Campaign 05V081000

Monaco File # RO4064

Re: Safety Recall- Battery Cable Workhorse

Dear Owner:

This notice is sent to you in accordance with the requirement of the National Traffic and Motor Vehicle Safety Act.

Monaco Coach Corporation has decided that a defect which relate to motor vehicle safety exists in certain motorhomes manufactured from August 12, 2004 through December 17, 2004.

The affected units are:

2005 Monaco Monarch SE

2005 Holiday Rambler Admiral SE

2005 Safari Trek

2005 Safari Simba

According to our information, your Class A Motorhome identified on the enclosed form is affected. Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Monaco became aware of a possible deficiency in batteries cables not secured properly inside of the chassis frames rail. The battery cables are may be too near the engine exhaust. This defect could potentially melt the battery cable and cause a back feed through the chassis 12V system. Monaco is unaware of any accidents attributable to this condition, but driving a motorhome with this defect could result in injury or loss.

The remedy involve visually inspecting battery cable to see if battery cable is properly mounted inside of the chassis frame rail. It may be necessary to mount the battery cable securely in existing holes in frame rail by using ¼ x 20 x 1" hex bolt with ¼" flat washer and ¼ x 20 myloc nuts.

The recall repair will be performed at no cost to you. If you paid to have this repair completed prior to receiving this letter, you may be eligible for a reimbursement of a portion or all of your remedy cost.

The labor time necessary to perform this recall campaign is approximately .50 hours. Please ask your dealer if you wish to know how much additional time may be needed to schedule and process your motorhome

The enclosed form identifies your motorhome and will serve as an authorization and claim form to have the correction made. Presentation of this form to your dealer will assist in making the necessary correction in the shortest possible time. If you have sold or traded your motorhome, or for any reason cannot have this recall service performed, please let us know by completing the postage paid reply card and returning it to us promptly.

Your Monaco Coach Corporation dealer is best equipped to provide service to ensure your motorhome is corrected as promptly as possible. If, however, you take your motorhome to your dealer on the agreed service date and the dealer does not remedy this condition on that date or within three (3) days, please call our toll free number of (800) 685-6545.

If, after contacting your dealer, and the recall assistance service line, you believe Monaco Coach Corporation has failed or has been unable to remedy the noncompliance without charge or there has been an unreasonable delay in securing the remedy, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW, Washington, DC 20590 or call the toll free Auto Safety Hotline at (888) 327-4236.

We apologize for any inconvenience that this may cause you, but your safety is very important to us.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Becker", with a stylized flourish at the end.
