Copy of Letter to Owner Subject: BorgWarner Engine Cooling Fan

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act and the Canadian Motor Vehicles Safety Act.

Freightliner LLC, on behalf of its Freightliner Trucks Division and its wholly owned subsidiary, Sterling Truck Corporation, has decided that a defect which relates to motor vehicle safety exists on specific Freightliner Business Class M2; Sterling A/L Line and Acterra vehicles manufactured with Caterpillar 3126, C7, MBE906, MBE926 or Cummins ISC engines between December 20, 2001, and March 29, 2005.

The engine cooling fan may experience stress levels higher than anticipated with certain engines. This may cause the steel insert on the fan to crack or break, resulting in possible vehicle damage or personal injury without prior warning.

The engine cooling fan will be replaced.
