Dear 2005 Foretravel Owner:

This Notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Reason for this Recall: Foretravel, Inc., along with B. Hepworth and Co. Ltd., has decided that a defect, which relates to motor vehicle safety, exists in all dual overhead windshield wiper systems on 2005 year model Foretravel Unicoach Series Motorhomes. These vehicles may have a missing circlip (snap ring) attaching the rod end bearing on the tie bar to the Variable arc pin assembly. The potential exists for the rod end bearing to come loose, and under certain conditions, cause obstructed vision, resulting in a crash.

What We Will Do: Your Authorized Foretravel service facility will make the proper correction to your motorhome windshield wiper system. Only Authorized Foretravel service facilities have the necessary parts, tools, equipment, and training necessary for this correction. This correction will be made at no cost to you.

What You Should Do: Contact your Authorized Foretravel dealer as soon as possible to arrange a service date for this correction. If your coach requires inspection only, the labor time to perform this recall will take approximately two (2) hours. However, additional time may be necessary, depending on how the service facility appointments are scheduled and processed. When scheduling your appointment for this correction of the wiper system defect, please make the service department aware of additional service items or repair work, and arrange to have more time scheduled for these additions.

Your Authorized Foretravel service dealer is best equipped to provide this service and to insure that this recall is addressed as promptly as possible. If, however, you take your vehicle to a Authorized Foretravel service facility as scheduled, on the agreed service date, and they do not remedy this condition on that date or within three (3) days, we recommend you contact Foretravel Customer Assistance by calling 1-800-955-6226; Ext. 237.

If you have already experienced the problem described above and have paid to have it repaired, you may send your original receipts and/or other adequate proof of payment to the following address for reimbursement: Foretravel, Inc. Customer Assistance Department, 1221 NW Stallings Drive, Nacogdoches, Texas 75964 Attention: Manager.

If, after contacting your Authorized Foretravel Service Dealer and Foretravel Inc. We have taken this action in the interest of your safety and continued satisfaction with your Foretravel motorhome.
