IMPORTANT RECALL INFORMATION #50606

August, 2005

Dear Valued Fleetwood Motor Home Customer:

This notice is sent to you in accordance with the requirements of the National Highway Traffic and Motor Vehicle Safety Act.

Fleetwood Enterprises, Inc., on behalf of its subsidiary manufacturing centers located in Riverside, California and Paxinos, Pennsylvania, has determined that certain 2005 and 2006 model year Jamboree and Tioga Class C, 22B, 23E, and 24D model motor homes built on Chevy chassis, fail to comply with the requirements of Part 567, "Certification".

WHAT IS THE PROBLEM?

Fleetwood Enterprises Inc. has become aware of weight rating input errors. The **Federal Certification Tag** was printed with the incorrect rear GAWR (Gross Axle Weight Rating) weight figure of 9,450 lbs. The correct rear GAWR weight figure is 8,600 lbs. The same weight error occurs on the **Cargo Carrying Capacity Tag**. Overloading can damage your vehicle, adversely affecting vehicle performance, including handling and braking, cause tire failure, and result in a crash.

WHAT SHOULD YOU DO?

To correct this non-compliance, it is necessary to remove or deface the original manufacturer's Cargo Carrying Capacity Tag and replace it with the new Cargo Carrying Capacity Tag. It is also necessary to overlay the new "Rear GAWR" sticker in the mid-section of the Federal Certification Tag.

If you do not feel comfortable installing these labels yourself, you may take them to any Fleetwood dealer and they will install them for you at no charge.

WHAT WILL FLEETWOOD DO?

When you deliver your motor home for repairs, your dealer will complete a Fleetwood Repair Order. Upon completion of the repair, please sign the **Fleetwood Repair Order** and fill out the enclosed, self-addressed **Vehicle Information Update Card** and return it to Fleetwood.

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle Information Update Card** and return it to Fleetwood. This will allow us to update our records, and if necessary, notify the new owner using the information you provide.

If you have had this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information regarding this recall #50606, contact Fleetwood Owner Relations at 800-509-3418.

For leased vehicles: Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you are unable to obtain the specified repair promptly and without charge, please contact
