

OWNER'S LETTER

Dear Infiniti Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan Motor Company, Ltd. has decided that some 2005 model year Infiniti FX35/45 vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) 225 – Child Restraint Anchorage Systems.

Reason for Recall

FMVSS 225 specifies certain requirements for child seat anchorage systems in vehicles. The lower anchorage brackets in the rear seats in some FX35/45 vehicles do not meet the location requirement in this standard. This may cause difficulty in attaching some child seats to these brackets. If a child seat is not secured, there is an increased risk of injury in a crash. All other requirements under FMVSS 225 and other standards are met.

What Infiniti Will Do

Your Infiniti dealer will replace the lower anchorage brackets with modified ones to ensure that the standard is met.
