SAFETY RECALL NOTICE

October 10, 2005

Dear Kia Sorento Owner:

This notice is sent to you in accordance with the requirements of the National Highway Traffic Safety Administration and the Environmental Protection Agency. Kia Motors America, Inc. has decided that a defect relating to motor vehicle safety exists in certain 2003 Sorento models.

What is the problem?

Kia has become aware that certain 2003 Sorento Models produced from June 7, 2002 through August 14, 2002 may experience a fuel leak due to a section of the fuel line coming in contact with the body.

What will Kia do?

- Kia will replace a section of the fuel line at no cost to you, when you schedule an appointment and take your vehicle to your Kia dealership.

If you have incurred expense to remedy this defect prior to the date of this notice, you may have the opportunity to obtain reimbursement for that expense. Since the fuel line in your vehicle is covered by a 5-year/60,000 mile warranty, any such repair should have been made under that warranty at no expense to you. However, if you incurred an emergency repair where you did not have access to a Kia dealer, please contact the Kia Consumer Assistance number listed below for assistance in submitting your claim or mail your receipts with a cover letter directly to Kia for review and consideration:

Consumer Assistance Center
Kia Motors America, Inc.
P.O. Box 52410
Irvine, CA 92619-2410

What should you do?

- Please call your Kia dealer to schedule a service appointment. The time required to repair your vehicle should be less than one hour. However, depending on the dealer's work schedule, it may be necessary to make your vehicle available for a longer period of time. Please present this notice when you arrive at the dealer.

Have you changed your address or sold your Kia?

- If you have changed your home address, sold your Kia vehicle, or no longer own your vehicle, please complete the attached prepaid "Change of Address/Ownership" card and mail it to us.

What if you are a vehicle lessor?

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

What if you have other questions?

- If your dealer does not respond to your service request in a timely manner, we suggest that you call Kia's Consumer Assistance Center at 1-800-333-4542. This number has TTY capability. If you still are not satisfied that we have remedied this situation, without charge and within a reasonable amount of time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW., Washington, DC 40990; or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>
