FEDERAL BUREAU OF INVESTIGATION

VIN # : xxxxxxxxxxxxxxxxx

Dear Crane Carrier Vehicle Owner;

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REASON FOR THIS RECALL

Crane Carrier has decided that a defect which relates to motor vehicle safety exists in certain 2005 LDT2 and LET2 model vehicles.

These vehicles were built with the throttle pedal placement in such a position as to allow for possible contact and binding between the pedal and an access plug in the sheet metal directly next to the pedal.

Contact of the throttle pedal with the access plug may result in binding of the throttle pedal resulting in loss of throttle control and engine speed. A loss of control of engine speed may result in loss of vehicle control and vehicle crash can occur without prior warning.

As a precaution until the defect is corrected, the affected vehicle should be checked for free and unobstructed movement of the throttle pedal through the full range of motion.

WHAT YOU SHOULD DO

Crane Carrier urges you to contact your nearest Crane Carrier Dealer or Service Center for corrective action. Crane Carrier will relocate the throttle pedal at no charge. The labor time necessary to perform this service correction is approximately forty five (45) minutes per vehicle. Crane Carrier will reimburse the installing facility one (1) hour labor per vehicle at their posted labor rate. Reimbursement may be obtained by filing a warranty claim (authorized Warranty Service Centers) or by letterhead invoice (all other facilities). Request for labor reimbursement should be sent to: Director of Service, Crane Carrier Co., P.O. Box 582891, Tulsa, OK, 74158. If you should have any questions concerning this recall notice you may contact the Crane Carrier Company Service Department at (918) 832-7305. Federal Regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

After contacting the Crane Carrier Company Service Department, if you are still not able to have the safety defect remedied without charge and within a reasonable time, you may wish to submit a complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW, Washington DC 20590; or call the toll-free Vehicle Safety Hotline at 1 888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We apologize for this inconvenience; however, we have taken this action in the interest of public safety and continued satisfaction with our products. If you have sold or traded the affected vehicle, please let us know by either fax at (918) 832-7333 or by e-mail at service@cranecarrier.com. If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall.
