Vehicle Identification Number – VIN

Dear Mitsubishi Fuso Truck Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REASON FOR THIS RECALL: Mitsubishi Fuso Truck of America, Inc. has decided that a defect which relates to motor vehicle safety exists in the turn signal and hazard warning lamp harness. On affected vehicles, the door wiring harness interferes with the turn signal and hazard lamp wiring harness due to improper routing. Repeated opening and closing of the doors could damage the turn signal and hazard lamp wiring harness. In the worst case, if the wiring harness breaks, turn signal lamp and hazard lamp illumination would cease, and could cause a crash without warning.

WHAT WE WILL DO: The turn signal and hazard lamp wiring harness will be inspected for damage. Any damage found will be repaired. Then, protective sheathing will be installed around the wiring harness loom and a protective electrical cap will be installed on the wiring harness connector. The procedure will be completed at no cost to you when performed by an Authorized Dealer or Parts and Service Center. The scheduled time for repair is approximately 1 hour.

WHAT YOU SHOULD DO: For your continued safety, please contact any Authorized Mitsubishi Fuso Dealer or Parts and Service Center to schedule an appointment for this procedure. Refer to this Recall Notification letter when speaking with Dealer Service Department personnel.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy to the lessee within ten days. If you are the lessor of the above referenced vehicle, please forward this notification immediately.

Note: If you have incurred costs to obtain a remedy for the problem addressed in this recall, please present the paid invoice to an Authorized Mitsubishi Fuso Dealer or Parts and Service Center. The Dealer/Parts & Service Center will submit a warranty claim to MFTA on your behalf. Reimbursement of these costs should be expected within approximately 30 days of warranty claim submittal.

We at MFTA regret any inconvenience this situation may cause you. However, your safety and continued satisfaction with our product are most important to us.

If MFTA is unable to perform this procedure without charge, or within a reasonable time frame, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW., Washington, DC 20590; call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.
