IMPORTANT RECALL INFORMATION #51024

November, 2005

Dear Valued Fleetwood Travel Trailer Customer:

This notice is sent to you in accordance with the requirements of the National Highway Traffic and Motor Vehicle Safety Act.

Fleetwood Enterprises, Inc., on behalf of its subsidiary manufacturing centers located in La Grande, Oregon; Hancock, Maryland and Longview, Texas has decided that certain 2004 model year Prowler, Wilderness and Terry travel trailers fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 120, "Tire Selection and Rims for Motor Vehicles other than Passenger Cars."

WHAT IS THE PROBLEM?

Fleetwood Enterprises Inc. has decided that certain 2004 model year Prowler, Wilderness and Terry 250RK model travel trailers were sold with incorrect load range tires. These travel trailers may have load range "B" tires installed. The correct tire is a load range "C". The load range "B" tires do not have enough capacity to carry the maximum load of the travel trailer. A fully loaded travel trailer will overload the tires, which could lead to tire failure, loss of vehicle control, and could result in a crash without warning.

WHAT SHOULD YOU DO?

Please make certain your travel trailer is immediately inspected and repaired by contacting the dealer who sold you the travel trailer and making an appointment to have this repair performed. If they are not available, another Fleetwood Travel Trailer dealer may do this work for you.

WHAT WILL FLEETWOOD DO?

Upon inspection and verification, any tires found that are marked "load range "B" will be removed and replaced with an original equipment "load range "C" tire. The inspection and repair could take up to two (2) hours. The total length of time your travel trailer will be out of service will depend on the dealer's work schedule at the time of repairs.

When you deliver your travel trailer for repairs, your dealer will complete a Fleetwood Repair Order. Upon completion of the repair, please sign the **Fleetwood Repair Order** and fill out the enclosed, self-addressed **Vehicle Information Update Card** and return it to Fleetwood.

If you have changed your address or sold the travel trailer, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle Information Update Card**, and return it to Fleetwood. This will enable us to update our records, and if necessary, notify the new owner using the information you provide.

If you have had this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information regarding this recall #51024, contact Fleetwood Owner Relations at 800-445-3307.

For leased vehicles: Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you are unable to obtain the specified repair promptly and without charge, please contact:
