## RECALL NOTICE

RECALL CAMPAIGN No. 05V-531

### VIN:

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

### REASON FOR NOTIFICATION

THOR California, Inc. has decided that a defect which relates to motor vehicle safety exists in certain 2005 TAHOE 36WTB Transport model fifth-wheel trailers manufactured during the period from January 25, 2005 through September 29, 2005. According to our records, your trailer is in this group. For this reason we ask that you arrange for your dealer to correct your vehicle without delay. The service and required parts will be provided free of charge. If you have sold or traded your trailer, please fill out the enclosed postcard and mail it to THOR California so that we can locate the current owner of the trailer.

### DESCRIPTION OF DEFECT

We have determined that there is a possibility of overloading the slideout resettable circuit breaker and the slideout control switch. Although the control switch is rated for the current load, in some circumstances, the switch may fail. The resettable circuit breaker may not adequately protect the circuit. A fire may result. A Safety Recall procedure has been initiated to replace the slideout control switch with a new switch, and to replace the resettable circuit breaker with a slow blow, ceramic, cartridge fuse.

### DESCRIPTION OF REMEDY

The campaign to be implemented by THOR California to remedy the defect includes this notification to all current owners of the subject trailers. To correct the defect, your dealer will:

- a) Replace the slideout control switch.
- b) Replace the slideout resettable circuit breaker with a slow blow, ceramic, cartridge fuse and fuse holder assembly.

Failure to have this important recall completed may result in an electrical overload in the slideout control circuit, and the possibility of a fire. Please have this recall performed as soon as possible. Failure to do so could legally be determined to be lack of proper maintenance of your trailer.

### WHAT WE WOULD LIKE YOU TO DO

Please take your trailer to your selling dealer or any other authorized THOR California servicing dealer to have the repairs performed. Dealers and service centers have been informed of this recall and are prepared to perform it to your satisfaction. This recall will be performed at no cost to you.

You should call your dealer or service center at your earliest convenience to schedule an appointment. When you take your trailer to the dealer, please bring this letter and your warranty/ownership documents with you. This will allow the dealer to prepare the necessary warranty forms most efficiently. The work will take about one hour to complete. However, additional time may be required depending on how dealer appointments are scheduled and processed. Once the repairs are completed, please present the attached postcard to the repair facility for submission to THOR California.

If the defect referred to above has been repaired on your trailer before you received this recall notification, and if you incurred any direct cost in connection with obtaining such repair, you may seek reimbursement from THOR California. In order to obtain reimbursement, you must submit the following information: (1) your name and mailing address; (2) the Vehicle Identification Number (VIN) for your trailer; (3) a reference to this recall campaign **05V-531**; (4) a copy of the receipt or invoice for the repair.

This reimbursement may be obtained by sending your request for reimbursement along with the above information to:
