

March 2006

Dear General Motors Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that certain 2006 Buick Rainier, Terraza; Cadillac Escalade, Escalade ESV, Escalade EXT; Chevrolet Avalanche, Colorado, Express, Silverado, SSR, Suburban, Tahoe, TrailBlazer, TrailBlazer EXT, Uplander; GMC Canyon, Envoy, Envoy XL, Savana, Sierra, Yukon, Yukon XL; HUMMER H2, H3; Pontiac Montana SV6; and Saturn Relay vehicles fail to conform to Federal Motor Vehicle Safety Standard 110, Tire Selection and Rims. As a result, GM is conducting a recall. We apologize for this inconvenience. However, we have taken this action for your safety and continued satisfaction with our products.

### **IMPORTANT**

- Your vehicle is involved in safety recall 05109.
- Schedule an appointment with your GM dealer.
- This service will be performed for you at **no charge**.

**Why is your vehicle being recalled?**

Your vehicle may have an incorrect value for the maximum combined weight of occupants and cargo printed on the Tire and Loading Information Label. Loading the vehicle to the amount shown could exceed its gross vehicle weight rating (GVWR). Continuous overloading could reduce the long-term durability of the chassis components.

**What will we do?**

Your GM dealer will install a new partial label over the existing label. Since the new label can be easily installed, and to reduce your inconvenience, the label and installation instructions are being sent with this letter. If you desire, however, you may take the label to your dealer for installation within the next 60 days. This service will be performed for you at **no charge**.

**What should you do?**

If you would like your dealer to install the label, you should contact your GM dealer to arrange a service appointment as soon as possible. Bring the enclosed customer reply form and label with you when you visit your dealer. The form identifies the repairs required. If you no longer own this vehicle, please let us know by completing the form and mailing it back to us.

**Do you have questions?**

If you have questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.
