DEFECT NOTIFICATION

Dear Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act of U.S.A.

Prevost Car Inc. has decided that a defect which relates to motor vehicle safety exists in certain 2005 MTH XL2-40 & XL2-45, MTH XL2-45 Entertainer and XL2-45 coaches. Prevost Car Inc., as coach manufacturer, has recently noticed that:

For the vehicles mentioned below, a too large quantity of anti-seize compound has been used for mounting of 3 identified radius rod supports. The bolts securing the supports could come loose and the support may eventually detach from the structure. This could affect vehicle stability and cause a crash. It is necessary to dismount the radius rod supports, to remove all trace of anti-seize compound and to reinstall the supports according to the corrected factory procedure.
