"Undelivered" represents the number of first-class letters to owners of recalled vehicles, as shown on Company records, returned by the United States Postal Service for reasons such as addressee unknown, no such street number, or no such business office in the state. "Exported" represents the number of recalled vehicles reported to have moved out of the United States, its protectorates or territories. "Stolen" or "scrapped" represents the number of recalled vehicles reported to be either stolen or scrapped such that the safety recall service cannot be performed or is inappropriate.
