footnote 1:

The affected vehicles in these campaigns overlap and the repair needed varies with the serial number and model.

Vehicles which were not repaired under 2004050014 (04V-296) are being repaired under 2005070007 (05V-133).

Since vehicles which were unrepaired under 2004050014 are being repaired under 2005070007, those unrepaired vehicles will be "closed" in 2004
