Dear Kelly,

Per my voicemail this morning, attached please find a report on the aforereferenced campaign. Although the NHTSA acknowledgement refers to October 30 for the first report, we "run" this data monthly and it is not a problem for us to provide the data. Since this campaign is relatively new, modified product will be fairly low in this report.

Should you need something further on this or any other NHTSA campaign, please do not hesitate to contact me.
