Safety Recall Notice #05V-052

Dear Big Dog Motorcycles' Dealer/Service Center:

This notice is sent to you regarding requirements set forth by the National Highway Traffic Safety Administration (NHTSA).

Big Dog Motorcycles, L.L.C. (Big Dog Motorcycles) has determined that a defect, which relates to motor vehicle safety, exists on all 2005 models manufactured prior to February 11, 2005. The internal voltage regulator in the electronic harness control is susceptible to damage by voltage transients in the ignition switch circuit resulting in a total shutdown of the vehicle's electrical system. This condition could occur without any prior warning. At this time Big Dog Motorcycles has no reports of any accidents or injuries related to this condition.

A recall notice will be sent on or about March 15, 2005, to the registered owners of these motorcycles. Some of the motorcycles affected by this recall are shown in your inventory. A list of these bikes is enclosed. **We ask that you immediately suspend all pending and future sales of motorcycles affected by this recall campaign until the remedy has been performed.** It is a violation of Federal law for a dealer to deliver a new vehicle covered by this notice under a sale or lease until the defect is remedied. Federal regulations require any lessor receiving this letter to forward it to the lessee within 10 days.

What You Should Do

Owners of the above-mentioned motorcycles will contact you to schedule this remedy. At the time of receipt of a motorcycle, enter a warranty claim through AWS using Labor Op R05V-052. Order ignition harness pigtail updates (P/N 172-000001-00) for this recall through AWS. Follow this procedure for motorcycles in your inventory that must also be updated before they can be sold. Install the ignition harness pigtail update as outlined in the Installation Instructions attached to this notice. These instructions are also posted on the Big Dog Motorcycles Dealer website. Big Dog Motorcycles will pay .6 hour of labor for this repair at your posted hourly shop rate. Contact the Warranty Department for any questions you may have on submitting claims or ordering parts for recall repairs.

We will inform the owners of these motorcycles of this remedy. You can advise them of the exact turnaround time based on scheduling and any other factors that may exist.

We appreciate your cooperation and prompt attention to this important matter. Big Dog Motorcycles apologizes for any inconvenience this may cause you, but assures you that we have taken this step as one that is important to our customer's personal safety.

Should you have any questions, contact Customer Service at 316-267-9121.
