Dear Aprilia Owner:

RE: IMPORTANT SAFETY RECALL INFORMATION REGARDING YOUR APRILIA RST 1000 FUTURA OR ETV MILLE CAPONORD MOTORCYCLE

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. This notification is a re-issue of recall 05V-506 originally issued in 2006.

REASON FOR THIS RECALL

Aprilia USA, has decided that a defect which relates to motor vehicle safety exists in the Aprilia motorcycle models and model years noted below:

- 2001 - 2004 Aprilia RST 1000 Futura
- 2002 - 2003 Aprilia ETV Mille Caponord

On these models and in these model years, the fuel line quick connectors may break if care is not used when removing the fuel tank at the time of service. Such breakage may cause fuel to leak from the quick connector. Failure to have the updates required of this recall completed may cause personal injury or death.

Aprilia USA has identified the production VIN range of the models where a replacement of the quick connector is required. According to vehicle registration records, you are the owner of an Aprilia motorcycle that falls within this VIN range.

WHAT WE WILL DO

To address this situation, Aprilia USA will conduct a voluntary recall of all 2001 - 2004 Aprilia RST 1000 Futura and 2002 - 2003 Aprilia ETV Mille Caponord within the affected VIN range, that have not already been repaired as part of the original issuing of this recall. Aprilia USA, through the authorized Aprilia dealer network will replace the fuel line quick connector on these motorcycles, eliminating any potential for a safety risk as a result of a fuel leak from this fitting.

The work required of this recall may be completed by any authorized Aprilia Motorcycle dealer at no charge to you for the required parts or labor. The repair will take approximately 1.0 hour.

WHAT YOU SHOULD DO

With the receipt of this letter, please contact your authorized Aprilia Motorcycle dealer to arrange for an appointment to have the described vehicle updates completed. Instructions for making this correction have been sent to your dealer and the parts are available. Your dealer is best equipped to obtain parts and provide service to ensure that your vehicle is corrected as promptly as possible.

If, however, you take your vehicle to your dealer on the agreed service date, and they do not remedy this condition on that date or within three (3) days, we recommend you contact Aprilia Customer Care by calling (212) 380 4400, option #4.

After contacting your dealer and the above number, if you are still not able to have the safety defect remedied without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave, SE, Washington, DC 20590 or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

In the event that you have sold this vehicle or the vehicle is no longer in your possession, please complete and return the enclosed postage prepaid reply card to notify us of any change of ownership card.

If you previously had the work required of this recall completed at your own expense, please refer to the attached letter describing the criteria and procedure to request reimbursement.

We are sorry to cause this inconvenience; however, we have taken this action in the interest of your safety and continued satisfaction with our products. Thank you for your prompt attention to this important matter.

Very truly yours,

Aprilia USA.
