TO: **ALL AFFECTED US ROADTREK OWNERS**

FROM: **Ben Spengen, Service, Warranty & Parts Manager**

RE: **Notice of Recall, 2005-11 (BBQ Line) (NHTSA 05V-533)**

This is a follow up to a notice that was sent to you in November 2005. Our records indicate that you have not yet had the repair work done on your vehicle.

Roadtrek Motorhomes Inc. (formerly Home & Park Motorhomes) has decided that a defect which relates to motor vehicle safety exists in the **BBQ line** installed on Roadtrek class 'B' motorhomes manufactured between March – October 2005 on 2005 - 2006 Chevrolet 2500 regular van and the 3500 extended van.

The defect relates to a missing support clamp attached to the BBQ line. Under certain conditions, the BBQ line could fall and drag on the ground wearing a hole through the line. If the line wears through a propane gas leak will occur, creating the potential for a fire without warning.

Corrective action requires installation of the support clamp, preventing the line from making contact with the ground when hanging freely. Please contact your Roadtrek Dealer to have the repairs completed. The repairs will take less than one half hour and will be completed at no charge to you.

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information contact our Service, Warranty & Parts department toll free, at 1-888-ROADTREK (762-3873).

If this notification is inadequate or the corrections are not made in accordance with this notification within 60 days, you may advise the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street SW., Washington, DC 20590; or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Please ensure that you provide the repair facility with the enclosed instructions. The recall form must be completed and returned to Roadtrek Motorhomes, in the self addressed stamped envelope.

We regret any inconvenience these actions may cause. It is imperative to have the above corrective action completed for your safety and continued satisfaction with your Roadtrek.
