Subject: CERTIFICATION LABEL/PART 567

Dear MR. COFFIN:

This letter is to acknowledge your recent noncompliance information report. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FLEETWOOD/CLASS C/2006-2007

NHTSA Campaign Number: 06V-437

Mfg's Report Date: October 24, 2006

Components: EQUIPMENT: OTHER: LABELS

Potential Number of Units Affected: To be provided

Summary:

CERTAIN MOTOR HOMES FAIL TO COMPLY WITH THE REQUIREMENTS OF PART 567, "CERTIFICATION." THE FEDERAL CERTIFICATION TAG FIGURES RELATED TO THE REAR TIRE PRESSURE OF 60 PSI ARE INCORRECT. THE CORRECT REAR TIRE PRESSURE RATING IS 80 PSI.

Consequence:

A MISPRINTED LABEL COULD LEAD TO IMPROPER VEHICLE LOADING OR TIRE INFLATION WHICH COULD RESULT IN TIRE FAILURE, INCREASING THE RISK OF A CRASH.

Remedy:

FLEETWOOD WILL MAIL THE CORRECT FEDERAL CERTIFICATION TAG ALONG WITH INSTALLATION INSTRUCTIONS. FLEETWOOD IS ALSO ASKING OWNERS TO CHECK AND, IF NECESSARY, INFLATE THE REAR TIRES TO THE CORRECT 80 PSI. IF OWNERS ARE NOT COMFORTABLE INSTALLING THE LABEL THEMSELVES OR CHECKING THE TIRE PRESSURE, OWNERS CAN TAKE THEIR VEHICLES TO THEIR DEALER. THE RECALL IS EXPECTED TO BEGIN DURING NOVEMBER 2006. OWNERS MAY CONTACT FLEETWOOD AT 800-505-3418.

Notes:

FLEETWOOD RECALL NO. 61020. CUSTOMERS MAY ALSO CONTACT THE NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION'S VEHICLE SAFETY HOTLINE AT 1-888-327-4236 (TTY 1-800-424-9153), OR GO TO [HTTP://WWW.SAFERCAR.GOV](http://www.safercar.gov).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please provide the following additional information and be reminded of the following requirements:

Please provide us with the quantity of vehicles involved as well as the names of the models.

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. As stated in your report, owner notification is expected to begin during November 2006. Therefore, the first quarterly report will be due on or before January 30, 2007.

Your contacts for this recall will be Pat Wallace or Delia Lopez, who may be reached by phone at 202-366-5232 or 202-366-9525 or by email at patricia.wallace@dot.gov or delia.lopez@dot.gov. We look forward to working with you for successful completion of this recall campaign.

Sincerely,

for George H. Person
Chief, Recall Management Division
